

Lower Hudson PRISM Blockbuster Survey

Area Type: check one
 Natural: Parking Lot / Trailhead
 Natural: Trail
 High Probability Area HPA

Date: _____ Please email track/point files and photos to invasives@nynjtc.org
 Block Code: _____
 Surveyor Names:
 (Lead) _____
 (Second) _____

Site Name: _____

Take a GPS Waypoint and write GPS Coordinates for the following: > to mark the location of each focal plant species. > to report NONE found in the last 110' feet. > and to mark the boundaries of each 330 foot Segment (i.e. 100 meters). Then mark as a Segment # End.										Comments:	
GPS WP #	Latitude	Longitude	Species Code or Name	Habitat	Adjacent Habitat	Trail Code	HPA Code	Abundance	Photo?		
See above Waypoint Note	write GPS Coordinates: in degree format, to 5 decimal precision			Natural: Trail area	Parking Lot / Trailhead; HPA areas	Natural: Trail	High Probability Areas	ALL plants in any Area Type	Check if photo taken	Volunteer Time Tally:	
TIP:	41.079633	-74.184387	Omit first 2 coordinate digits on lower lines for more writing space								Habitat Codes
001	.079633	.184387	start of survey segment 1							FM field meadow	
002	.079634	.184386	MIVI	FM				3		SH shrubland	
003	.079635	.184385	POPE10	FM				4		WT wetland	
004	.079636	.184384	AIAL	WD				1		WD woodland	
005	.079637	.184383	end of Segment 1							IF infrastructure bldgs	
006	.079638	.184382	RUPH	SH				1			
007	.079639	.184381	CEOR7	WD				2		Adjacent Habitat Codes	
008	.079640	.184380	RUPH	SH				1		FM field meadow	
009	.079641	.184379	end of Segment 2							SH shrubland	
010	.079642	.184378	NONE found	WT						WT wetland	
011	.079643	.184377	MIVI	FM				2		WD woodland	
012	.079644	.184376	VISI	SH				1	check	IF infrastructure bldgs	
013	.079645	.184375	end of Segment 3								
014	.079646	.184374	CEOR7	WD				3		Trail Codes	
015	.079647	.184373	AIAL	WD				1		FP foot bike path	
016	.079648	.184372	end of Segment 4							NT no trail – bushwacking	
										RD road	
										TV trail shared with vehicles	
										HPA : High Probability Areas	
										AA abandoned agricultural land	
										AL abandoned lot	
										RR area adjacent to RR	
										PL parking lot (not at a trailhead)	
										RS Roadside	
										UT utility right of way	
										Abundance	
										1 One to three plants	
										2 Scattered plants or one large patch	
										3 Scattered dense patches	
										4 Predominant cover in area
