Edward Burroughs, Commissioner
Department of Planning

New York State's Invasive Plant Species Regulations: Impacts and How to Adapt

Effective March 10, 2015, these regulations are intended to help control invasive species, a form of biological pollution, by reducing the introduction or spread of new and existing populations of these species. This workshop will focus on plant populations.

**Thursday, April 2, 2015
Westchester County Center
198 Central Avenue, White Plains**
